DiMarzio, Inc. 30-Day Pickup Exchange Policy

If you are not satisfied with the performance of your DiMarzio® pickup for any reason, DiMarzio, Inc. will exchange it within thirty days of original purchase for a DiMarzio® pickup of like kind. Call us at (718) 816-8112 any Monday through Friday between 12:00 Noon and 5:00 PM Eastern Time. We will discuss your expectations, help you select a different model and give you a Return Authorization number. If the replacement that we recommend has a higher List Price than the pickup that you are returning, please include a check or money order for the difference in List Price. The original pickup must be returned directly to DiMarzio, Inc. with a dated sales receipt from an authorized DiMarzio® dealer. The returned pickup must be in like-new condition except for cable or wire leads, which may have been shortened or soldered. DiMarzio, Inc. will not accept any pickup which has been altered or damaged due to misuse or accident. Exchanges are limited to pickups of like kind (e.g., a humbucker for a humbucker). Color or finish changes are not permitted. Limit of one exchange per original retail purchase. This offer applies to U.S. residents only. Other terms and conditions apply. See website for details.
